1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claim 4, line 1 dependency changed from " 1 " to - - 2 - - to provide proper antecedent for " said slanted top panel ".

2. The following is an examiner's statement of reasons for allowance: The cited art does not teach nor suggest an electronic apparatus with a casing with a first board extending substantially horizontally and a second board extending substantially vertically with a horizontal gap provided between the boards and a high load part arranged below the gap that generates heat with exhaust ports arranged above the gap as claimed in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
